IT-INCUBATOR, Backend Developer (Node JS, Express, Nest JS)2021-2022
Streamline, English, 2021(A2), 2022(A2+)

BNTU, Engineer-Builder, 2007-2012

ABOUT ME

I am experienced Backend developer.

Currently, found a new passion in learning Computer Science and Java Script.

Now I am improving my skills in this direction and expanding them with new technologies, planning to study RabbitMQ.I spend my leisure time on Codewars or with educational books(Designing Data-Intensive Application), improving my English language. Open for your suggestions.
